## LETTER OF APPRECIATION

We thankfully acknowledge MES Dental College Perinthalmanna for providing us academic support in conducting training programs for palliative care nurses. The department of Oral Medicine & Radiology of MES Dental College has been Collaborating with us for the nurses training classes. These programs were designed to incorporate basic skills in identifying the common dental & oral problems of the bedridden and chronically ill patients.

The classes were well attended and utilized by the nurses and received high appreciation. This will definitely help our staff to deliver better to the society.

We look forward to collaborate for such academic activities in future.

The **Calicut Orthodontic Study Group**, branch of the **Indian Orthodontic Society** would like to express its appreciation to the Department of Orthodontics & Dentofacial Orthopedics, **MES Dental College, Perinthalmanna**, for organizing an Outreach Camp in Puzhakattiri Panchayat, Malappuram on October 6, 2021 as part of the National Orthodontists Day. The gesture proves their social commitment.

The Calicut Orthodontic Study Group applauds your efforts and are confident that the success of this event will inspire you to conduct similar programs in the future.
