REPORT

World Environment Day Program

World Environment Day was organised by the Nature Club as part of their Green Campus Campaign on 05.06.2021 at MES Dental College premises. The program titled 'Save Earth to Save Life' was inaugurated by the Principal in the presence of HODs at 9:15 AM. Seventy five students participated in the program along with faculty and non-teaching staff to create awareness to protect and safeguard our environment, land, air, and water. To keep the campus green the faculty from all departments planted flowering and fruit tree samplings in and around the campus. Various indoor plants were also placed. Plastic and other waste were collected and segregated for safe disposal following the Covid-19 protocols. Registrar MES Dental College felicitated all the students and faculty and appreciated their efforts. The program was successfully concluded by 2:00 PM.

Report prepared by Sr. Lecturer

ARTICLE-VI: EFFECTIVE DATE AND DURATION OF MoU

1. This MoU shall be effective from the date of its approval by competent authorities at both ends.
2. The duration of the MoU shall be for a period of three years from the effective date.
3. This MoU may be extended or terminated by a prior notice of not less than three months by either party.
4. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under this MoU, and the same shall be subjected to the final decision of the heads of the respective institutions.
5. The progress of the research will be reviewed periodically and necessary measures will be taken to address the challenges and to take it forward.
6. If any of the partner institution wishes to terminate the MOU at the end of the stipulated period (3 years) it must notify the other institution not less than three months prior to the expiry of the MoU.

ARTICLE-VII: IPR

Rights regarding publications, patents, royalty, etc. under the scope of this MoU shall be equally shared between IPM and MESDC, with mutual consent between the two parties.

ARTICLE-VIII: CONFIDENTIALITY

During the tenancy of the MoU, both IPM and MESDC will maintain strict confidentiality and prevent disclosure of all the confidential information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

'CONFIDENTIAL INFORMATION' shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

Confidentiality of patient related information will be given prime importance as suggested by the Institutional Ethics Committee (IEC) of MESDC and IPM. No data related to patients will be used out of the purview of this research and all patient identifiers will be masked.

Both IPM and MESDC shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

Further, both IPM and MESDC shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use. This clause shall survive the termination or expiry of this MoU.
