ANNUAL REPORT OF STUDENT COUNCIL ACTIVITIES (2021-22)

MES Dental College, Perinthalmanna, prioritizes holistic student development through curricular and extracurricular activities, strategically scheduled to avoid conflicts with exams. Collaborative efforts between students and the Aroha Students Union 2021-22 drive the planning and execution of events like Dent Fest-2022, Dr. Jamshid Jahafar Memorial Inter-batch sports fest, CYNISCA-Inter-batch girls' sports tournament, and a musical night.

Dent Fest, organized by the Student's Council, is an annual cultural and sports event where students are divided into four house groups, led by faculty members from different departments.

Beyond entertainment, the Student's Council engages in personality development and social welfare initiatives, including Dental camps and School dental health education. Active participation in cultural festivals underscores the council's commitment to a well-rounded education.

The academic year concludes with a significant graduation ceremony, honoring dentists and inspiring students. Looking ahead to 2023, the council is planning the next series of events to enhance the college experience, maintaining a focus on comprehensive student growth
