## LANDSCAPING WITH TREES AND PLANTS

**Our campus premises have a landscaping that is vibrant and welcoming. Landscaping is done by planting trees that serves the purpose of providing shade, beauty, food, privacy and habitat. Botanical boards providing a brief description of the trees are put down. Our students' friendly campus also maintains a kitchen garden in our hostel premises for developing an environmental friendly healthy recreation times.**

## BATTERY OPERATED VEHICLE

For maintaining our eco-friendly pollution free environment we are switching circumspectly to battery operated vehicles. As a part of our green campus initiative this is our first launched electric vehicle.

## RESTRICTED ENTRY TO VEHICLES

Campus has sufficient space for parking private vehicles of staffs, students and patients. Parking areas for institutional vehicles are also maintained apart. We have separated areas for two wheeler and other vehicles. Roads inside the campus are well maintained. Entry of vehicles inside the campus is restricted. Security people are assigned duties on every turn and crossing to the campus.

## BAN ON USE OF PLASTICS

To maintain an eco-friendly pollution free campus environment we have taken up different measures. We have been maintaining color coded bins for hospital waste disposal and separate bins for other waste disposals. The waste disposal bins are again categorized to recyclable and non-recyclable. Our campus premises are notified with the SAY NO PLASTIC boards in common and native languages
