## INTRODUCTION:

MES Dental College excels in modern education, introducing the **Internship Value Added Program (IVAP)** to address limited clinical exposure due to pandemic restrictions. IVAP ensures interns receive comprehensive awareness and training, preparing them for the daily challenges in their dental careers.

## OBJECTIVE OF INTERNSHIP VALUE ADDED PROGRAM:

In IVAP, students grasp contemporary dentistry trends, mastering advanced dental procedures using state-of-the-art technology and instruments.

## PROCESS:

IVAP, a year-long program aligned with the rotatory internship, includes classes and workshops held five times a week, 9:00 am to 10:00 am. Strict COVID protocols are observed, with diverse lecturers enhancing students' skills.

The various topics focused on are:

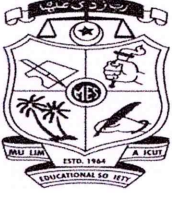

- Emergency medical care in dental practice.
- Public health and National health policies.
- Medico-legal issues.
- Public relation issues.
- Patient management and communication.
- Emergency dental care.
- Airotor hand piece maintenance
